CONGRATULATIONS  
CLASS OF 2020

Dear UC Santa Cruz graduate,

**C**ongratulations on your graduation from the University of California Santa Cruz. This accomplishment did not come easy, but you have done it! I would also like to offer my congratulations — and thanks — to your family, friends, mentors, and the many staff and faculty who have helped you along the way. No one gets here alone! The entire Banana Slug community could not be more proud of you, our 2020 graduates, for all that you have accomplished.

As our country faces so many interconnected crises — public health, economic, and our long history of racial injustice — you are exactly who this world needs right now. I have hope for our future because of you and what I know you will accomplish as UC Santa Cruz alumni. You have changed our campus and you will change the world.

Thank you for the time you have spent building community and defining what it means to be a Banana Slug. I look forward to one day soon welcoming you back to campus to celebrate together. Until then, stay safe, stay well, and stay connected.

Sincerely,

*Cynthia Larive*  
Chancellor

*“you are exactly who this world needs right now”*

The commencement ceremony and program are not official confirmations of degree information. Academic Honors are not awarded until after the term in which all requirements are completed.

Not all departments are able to complete their review for honors in the major until spring grades are finalized. For this reason, this program does not include honors for the following majors: CRES, Earth/Planet Sciences, Environmental Studies.

Honors are denoted by the following symbols:

Candidate for Highest Honors in Major (◆) Candidate for Honors in Major (●)  
Candidate for Highest Honors (▲) Candidate for University Honors (✱)  
Phi Beta Kappa (ΦΒΚ)

The commencement ceremony and program are not official confirmations of degree information. Academic Honors are not awarded until after the term in which all requirements are completed.

Not all departments are able to complete their review for honors in the major until spring grades are finalized. For this reason, this program does not include honors for the following majors: CRES, Earth/Planet Sciences, Environmental Studies.

Honors are denoted by the following symbols:

The commencement ceremony and program are not official confirmations of degree information. Academic Honors are not awarded until after the term in which all requirements are completed.

Not all departments are able to complete their review for honors in the major until spring grades are finalized. For this reason, this program does not include honors for the following majors: CRES, Earth/Planet Sciences, Environmental Studies.

Honors are denoted by the following symbols:

Candidate for Highest Honors in Major (♦) Candidate for Honors in Major (●)  
Candidate for Highest Honors (▲) Candidate for University Honors (✱)  
Phi Beta Kappa (ΦBK)

The commencement ceremony and program are not official confirmations of degree information. Academic Honors are not awarded until after the term in which all requirements are completed.

Not all departments are able to complete their review for honors in the major until spring grades are finalized. For this reason, this program does not include honors for the following majors: CRES, Earth/Planet Sciences, Environmental Studies.

Honors are denoted by the following symbols:

Candidate for Highest Honors in Major (◆) Candidate for Honors in Major (●)  
Candidate for Highest Honors (▲) Candidate for University Honors (✱)  
Phi Beta Kappa (ΦΒΚ)

## CANDIDATES FOR MASTER'S DEGREES

Jenna June Vilen

Roxanna Villalobos

John Wang

Yuzhu Xia

Guanghong Xu

Yusuf Yildirim

Meishan Yu

Eric Yuan

Patricia Zuniga

The commencement ceremony and program are not official confirmations of degree information. Academic Honors are not awarded until after the term in which all requirements are completed.

Not all departments are able to complete their review for honors in the major until spring grades are finalized. For this reason, this program does not include honors for the following majors: CRES, Earth/Planet Sciences, Environmental Studies.

Honors are denoted by the following symbols:

Candidate for Highest Honors in Major (♦) Candidate for Honors in Major (●)  
 Candidate for Highest Honors (▲) Candidate for University Honors (\*)  
 Phi Beta Kappa (ΦBK)

The commencement ceremony and program are not official confirmations of degree information. Academic Honors are not awarded until after the term in which all requirements are completed.

Not all departments are able to complete their review for honors in the major until spring grades are finalized. For this reason, this program does not include honors for the following majors: CRES, Earth/Planet Sciences, Environmental Studies.

Honors are denoted by the following symbols:

Candidate for Highest Honors in Major (♦) Candidate for Honors in Major (●)  
 Candidate for Highest Honors (▲) Candidate for University Honors (✱)  
 Phi Beta Kappa (ΦBK)
